Summary

“The details are not the details. They make the design”

We are also committed to selecting optimum products, best suited for a wide range of budgets and design inspiration.

Always reliable and trustworthy, we have built our reputation on honouring our commitments to our clients, as well to quality management of our products and services.

Our reputation for reliability and excellence makes Stella Global your choice supplier, distributor and partner for all projects big or small.

We work closely with design firms, ID contractors and owners and have particular expertise in providing flooring products, wallcoverings and architectural hardware for the following types of facilities:

- Hospitality Projects
- Commercial Offices
- Residential Projects
- Health Care Facilities
- Commercial Retail
- Educational Institutions
- Clubs, Bars and F & B Establishments – we also represent Void Acoustics, a top-end professional sound system.

About Us

Representing prestigious brands and products manufactured by global industry leaders in Vietnam and Indo-China since 2010, Stella Global offers a complete service for your interior surface finishing needs. We are dedicated to provide support, from design stage, renderings, samplings to mock-up's and final installation.

Feature Fabrics

Our ability to uniquely combine chemistry to textile surfaces creates a broad offering of hospitality performance fabrics for top-of-bed applications, window treatments, and accent fabrics. Our fabrics are design oriented and meet the needs of industrial laundering performance while being cutting edge in fashion.

Architecture Hardware & Electronic Lock Doors

We put our knowledge to practical use to ensure that our customers have the correct product and the very best installation, be it for commercial, industrial or institutional projects.

Say goodbye to lost, stolen and just plain forgotten keys. Our top electronic locks offer keyless entry and other smart ways to unlock your door.

Acoustics – Void brand

Stella Global company proudly offers a range of modern high performance, woven, vinyl, and specialty wallcoverings, in both patterns and solids, that add nuance or expression to any interior.
